

**REMARKS**

Independent claims 1, 26, and 36 have been amended to more clearly define the invention.

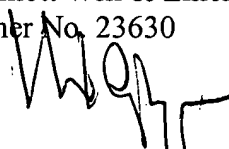

Support for the amendments is throughout the specification and particularly in the portion of the specification that references Fig 25, particularly including but not limited to page 33, lines 22-23 of International Publication No. WO2004/082486A1.

No new matter has been added in the present application.

If there are any questions regarding these amendments, the Examiner is encouraged to contact the undersigned at the telephone number provided below.

Respectfully submitted,

McDermott Will & Emery LLP
